## TERENGGANU INC GROUP BOATS LIGHT UP THE SEAS OF KUALA TERENGGANU

30 September - Terengganu Inc through a decorated boat concept featuring state icons enlivened the Pertandingan Bot Berhias in conjunction with Sambutan Jubli Perak 25 Tahun Pemerintahan KDYMM Sultan Terengganu

A total of 16 boats competed, including subsidiaries of the Group such as TDM Berhad and Syarikat Air Terengganu Sdn Bhd (SATU), showcasing various ornaments and boat decorations based on outstanding creativity that highlighted their uniqueness.

## TERENGGANU INC GROUP PLACES SECOND: SHOWING SPIRIT TOWARDS RASULLULAH

28 September - A garland of congratulations followed the contingent of the Terengganu Inc Group who appeared as runners-up in the parade for the Non-Governmental Organization (NGO) & Private Company category in conjunction with the Maulidur Rasul S.A.W Celebration at Terengganu State Level 1445H in 2023.

Terengganu's Maulidur Rasul celebration at Terengganu state level was celebrated with the participation of a total of 69 contingents with more than 2,000 participants consisting of federal government departments and statutory bodies, state government departments and state statutory bodies.

7 September - Terengganu Inc is proud to collaborate with PETRONAS in realising the BeDigital Bootcamp, featuring a Fireside Chat session with YBhg Encik Burhanuddin Hilmi bin Mohamed @ Harun, engaging over 100 graduates from various state universities.

Concluding on September 14, 2021, the closing ceremony saw 41 job offer letters extended to top-performing participants. Notable companies such as EPIC Berhad, SATU, Golden Pharos Berhad, and more took the lead in providing a range of roles in their businesses.

26 September - The Terengganu Petroleum Council (TPC) had a productive meeting chaired by Menteri Besar Terengganu, YAB Dato' Seri Dr Ahmad Samsuri bin Mokhtar. The TPC's focus on propelling the state's revenue generation in the oil and gas sector through active participation in both the upstream and downstream segments was underscored.

The establishment of a state-owned energy entity, including TI Petroleum, a Terengganu Inc subsidiary, was proposed to drive revenue and support local businesses, fostering strategic partnerships for the empowerment of the state's economy and industry players.

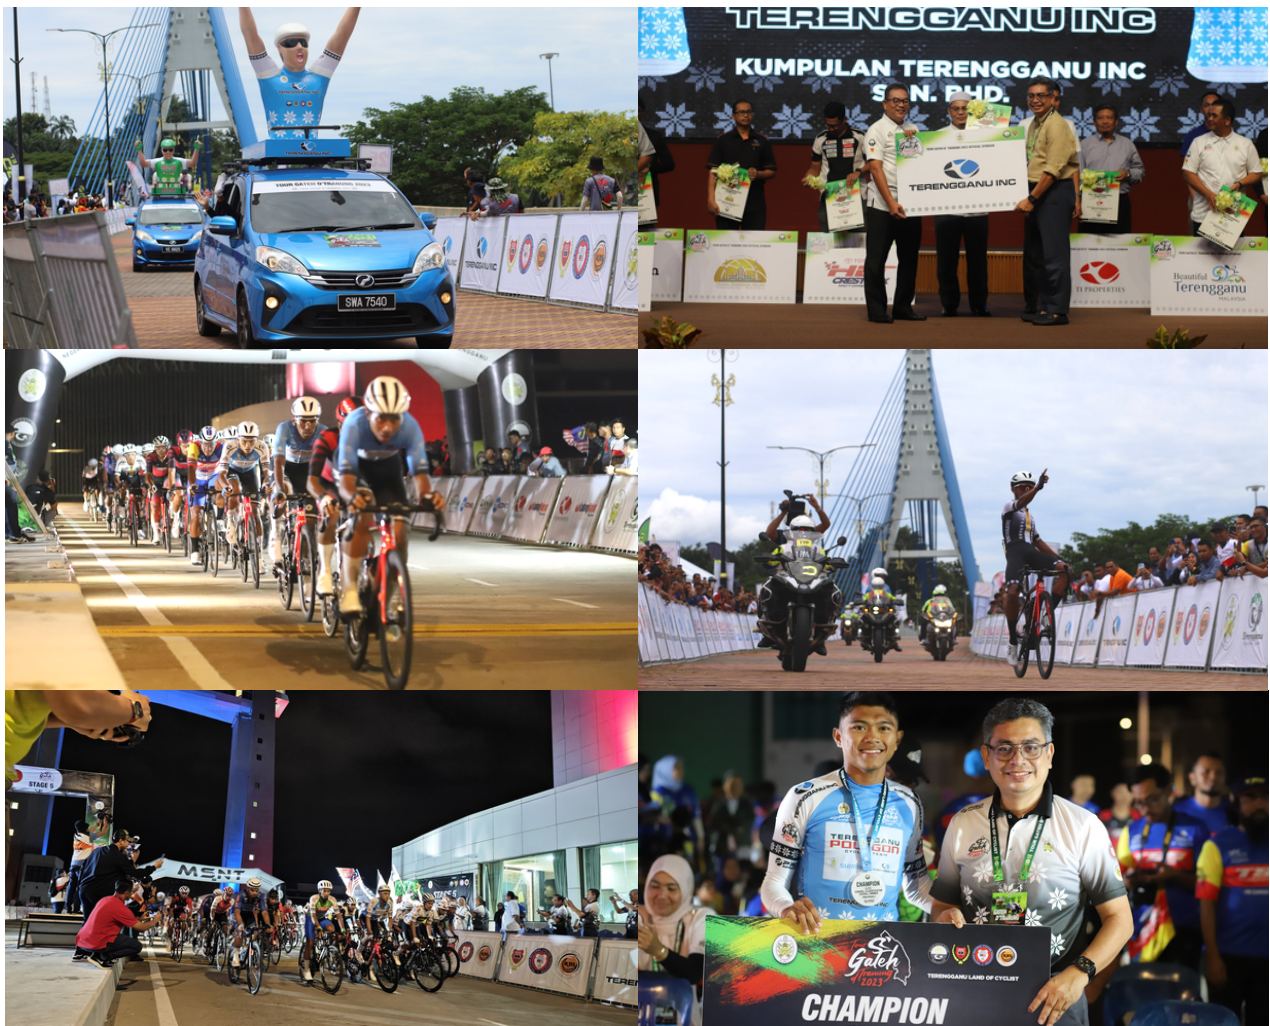

## TOUR GATEH D'TRANUNG: TERENGGANU INC CONTINUES THE PLEDGE

3 September - With the return of the Tour Gateh D'Tranung Championship in 2023, Terengganu Inc proudly continues its sponsorship of this international cycling event by bringing the coveted 'Individual General Classification' jersey in bright blue. The event kicked off on 3rd September running until 8th September.

This year's Tour Gateh D'Tranung brings together 27 teams, comprising 10 state SUKMA teams, nine local clubs, and eight elite squads. The competition will span an impressive 650 kilometres, featuring 164 determined cyclists who will pedal their way through diverse terrain and challenges across Terengganu.

21 September - Terengganu Inc, through its Group Finance, has taken a significant step towards embracing digital transformation in business operations by organising the E-invoice Briefing event, joined by the management from group subsidiaries.

The event featured a briefing on E-invoice, delivered by Mr. Asaithamby Perumal, a Partner specialising in Global Compliance and reporting from Ernst & Young Tax Consultants Sdn Bhd, revealing how E-invoice adoption can revolutionise business processes.

14 September - EPIC Berhad participated in the Oil and Gas Asia (OGA) 2023, the region's largest and most prestigious oil and gas exhibition and conference, sharing about their extensive one stop centre offerings while exploring the latest trends and technologies in shaping the growing future of energy industry.

Led by Business Development General Manager Encik Atiaullah bin Raslan, had a fruitful three-day event, where they got to connect with industry leaders, innovators, enthusiasts and clients. The second and third days at OGA 2023 have brought many exciting opportunities to collaborate with other fellow industry partners.

## EPIC SOLAR CAR (ESCAR): THE FUTURE OF SUSTAINABLE MOBILITY

19 September - EPIC Solar Sdn Bhd (ESSB), a subsidiary of Eastern Pacific Industrial Corporation Berhad (EPIC Berhad) unveiled its collaborative innovation with University College TATI (UC TATI), namely the EPIC Solar Car (ESCAR).

The project is aimed at promoting sustainable development by reducing carbon emissions and promoting renewable energy with further research to further elevate its current capacities and advanced features.

The vehicle is powered by solar energy and has no fuel usage, making it an eco-friendly alternative to conventional vehicles.

Initiated in November 2022 by a project team led by ESSB General Manager Encik Fuaad Mohamed bin Nawawi and UC TATI Senior Lecturer Prof Madya Ts. Dr. Ruzlaini bin Ghoni, ESCAR was first developed for operational uses at ESSB's Solar Farm, with plans to expand its usage to the Kemaman Supply Base areas and potentially be used as a tourist vehicle.

15 September - A courtesy visit and discussion were held with Dr Rayney Azmi bin Ali, the Chief Executive Officer of KMI Healthcare, regarding the Facility Management project from TI Properties, including Facility Engineering Maintenance Services, Biomedical Engineering Maintenance Services and more. TI Properties looks ahead in streamlining hospital operations through comprehensive facility management.

9 September - SATU officially inked a memorandum of understanding (MoU) with Universiti Malaysia Terengganu (UMT), signed by Vice Chancellor UMT, Prof Dato Dr. Mazlan bin Abd Ghaffar, and SATU Chief Executive Officer Ts. Abdul Karim bin Endut.

The partnership enables SATU and UMT to enhance collaborative operations studies with the Faculty of Maritime Engineering and Informatics Technology.

**TERENGGANU INC'S  
2023 TOWN HALL**  
BRINGS STAFF TOGETHER FOR VISION SHARING

7 September - Terengganu Inc successfully organised a Town Hall for 2023 with President and Executive Director, YBhg Encik Burhanuddin Hilmi bin Mohamed @ Harun, who shared the company's achievements, challenges, and plans with more than 80 staff including trainees.

Among the topics addressed are Terengganu Inc's current financial performance and the group's performance, attributed to its diversified portfolio, strategic investments, and operational efficiency. This included the Environmental, Social and Governance (ESG) Agenda debut with a 35% Renewable Energy (RE) Capacity Mix target by 2025.

8 September - Terengganu Inc continued to foster camaraderie and sportsmanship with Ladang Rakyat Terengganu Sdn Bhd (LRTSB) through the Sukan Jalinan Muhibbah 2023, featuring Chess and Carrom, Futsal, Ping-Pong, and Badminton. Both teams showcased collaboration and agility, with the women's Terengganu Inc team emerging as champions in Ping-Pong and Badminton.

## GOLDEN PHAROS BERHAD'S VISION FOR 2024

6 September - Golden Pharos Berhad organized the "Strategic Business Plan & Budget 2024" program with the top management from all subsidiaries, including Kumpulan Pengurusan Kayu Kayan Trengganu, Pesaka Trengganu Berhad, Pesama Timber Corporation, Permint Plywood, GP Glass, and GP Forest Plantation.

The program facilitated collaborative strategic planning and emphasised our commitment to sustainability bolstering of business plan and streamlining the budget for 2024 and beyond.

EPIC BERHAD WELCOMES  
**SAPURA T-9 TO  
KEMAMAN PORT**

14 September - EPIC Berhad has had the pleasure of welcoming the Sapura T-9 that entered the port limits at 6.00 am Malaysia time and safely docked at the West Wharf of Kemaman Port on 12 September 2023, at 10:00 am Malaysia time.

Sapura T-9 is a specially built barge-type tender-assisted drilling (TAD) rig designed as a cost-effective solution for drilling development, committed to providing the necessary support for its next operations.

20 September - Terengganu Inc is honoured to be invited as a guest speaker for the HR Summit 2023 themed 'Pembelajaran Sepanjang Hayat Pemangkin Mobiliti Sosial', organised by Human Resource Development Corporation (HRD Corp), held at Raia Hotel & Convention Centre, Kuala Terengganu.

Terengganu Inc President and Executive Director, YBhg Encik Burhanuddin Hilmi bin Mohamed @ Harun, gave his insights in a 15-minute speech titled 'Pembelajaran Berterusan Pemacu Kebolehpasaran Tenaga Kerja di Masa Hadapan' in front of participants of various government and private organisations, highlighting the importance of life-long learning.

1 September - SATU has shown its social responsibility and concern by sending water tankers to Pahang to assist in the water supply following the river pollution incident that caused the shutdown of the Keratong Water Treatment Plant in Rompin, affecting several major areas. The water tankers from Kuala Terengganu district were dispatched to most of the affected areas, providing relief to the affected residents.

20 September - In the spirit of celebrating Merdeka and Malaysia's Day, TDM proudly organised a festive contest on TikTok known as "Pantun Merdeka TDM", from August 20th to September 10th to capture the essence of patriotism and creativity that embodies our beloved nation.

TDM extends congratulations to the winners: First Place: @GM\_Studio1, Second Place: @Shahanisa Ramlee, and Third Place: @Syadinnazeri.

16 September - Kuala Terengganu Drawbridge commenced its service to the public in 2019 by opening the Gallery for visitors. This campaign aims to celebrate the achievement of half a million visitors since the opening of the Kuala Terengganu Drawbridge. It also serves as an appreciation to the public who have supported this iconic tower since 2019.

For this campaign, TI Properties will be giving a Gold Bar with a monetary value of RM 15,000.00, making it a valuable and highly coveted reward.
