

## JOB VACANCY

# MAINTENANCE TECHNICIAN

We are looking for a passionate and experienced Maintenance Technician to join our pre-opening team and play a key role in launching our new hotel located in Pulau Poh, Kenyir, Terengganu.

### Main Responsibilities:

- Perform daily maintenance and repair works for guest rooms, public areas, and back-of-house facilities.
- Carry out preventive maintenance for electrical, mechanical, Heating, Ventilation, and Air Conditioning (HVAC), Building Management System (BMS), Extra Low Voltage (ELV) systems, plumbing, and other related building services.
- Troubleshoot and repair faults or breakdowns efficiently.
- Respond promptly to maintenance requests from other departments.
- Ensure all tools and equipment are properly maintained and used safely.
- Assist in installation and minor renovation works when required.
- Maintain cleanliness of the workshop and work areas.
- Comply with safety standards and hotel policies at all times

### Requirements:

- Minimum SPM or Certificate or Diploma in Electrical, Mechanical, or related field.
- Minimum 1–3 years of working experience in maintenance or technical roles (hotel experience is an advantage).
- Basic knowledge of electrical, plumbing, air-conditioning, and general repairs.
- Hands-on skills and ability to troubleshoot issues independently.
- Able to work on shifts including weekends, and public holidays.
- Possess of relevant certifications (e.g., Chargeman, Heating, Ventilation, and Air Conditioning (HVAC), or facilities-related certificates) will be an added advantage.
- Good teamwork and communication skills.

Interested candidates are required to email the application to [career@terengganu-inc.com](mailto:career@terengganu-inc.com) not later than **14 May 2026** and enclose full personal particulars, stating current and expected salary, contact number, together with a passport-sized photograph.

Only shortlisted candidates will be notified.
